

The Panhandle No-Till Partnership

Was formed in 2008 as a joint effort between the Natural Resources Conservation Service (NRCS), the Panhandle Resource Conservation & Development, Inc. (RC&D), and the North Platte NRD, South Platte NRD, and Upper Niobrara-White NRD,

Our mission is to bring producers educational support, knowledge, and practical use techniques for continuous no tillage cropping practices. The 2012 Winter No-Till conference is brought to you by these sponsors:

USDA is an equal opportunity provider and employer.
